Grand Knight's Message

Dear Brother Knights and Families,
St. Francis of Assisi told us; "All the darkness in the world cannot extinguish the light of a single candle." At this time Catholics around the world are under attack from the forces of evil. In France hundreds of Churches have been vandalized in the past year and just this past month while Catholics were celebrating Easter Mass hundreds of people were killed in Sri Lanka. These acts of evil darkness need to be responded with acts of love and kindness. When Jesus rose from the dead fulfilling the prophecies he taught us even in the darkest of times God's love conquers all. This past Sunday Father Whitestone informed us that he would be putting information in the bulletin on ways that we can support our Catholic brothers and sisters in Sri Lanka as they recover from this evil attack. Please keep an eye out for this information and if you are in a position to help our fellow Catholics from Sri Lanka, please do so.

I would also like to thank everyone who helped in April with all our activities. April was an extremely busy month, starting with a Family Breakfast and our sponsorship of the Parish Soup Supper to helping with the RCIA Social as well as the Easter Egg hunt and concluding the month with a Night of Magic, Fairfax History Day and a Fourth Degree in Richmond. As you can imagine all these events required the loving support of a considerable number of our fellow brothers and family members. I'm so proud to be a part of such a great group of families that love and support one another in so many ways.

Vivat Jesus!

Dan O'Malley, Grand Knight

Deputy Grand Knight's Report

Brother Knights,
I hope everyone had a blessed Easter spending a wonderful time with families.

We have some special events coming in May that many brothers can participate in. Come on out and join in! You won't know until you try!

Friday May 3rd through Sunday May 5th is the State Annual Meeting at the Dulles Hyatt Hotel in Herndon. All 3rd and 4th degree knights are able to attend the meetings. You must show a valid membership card for entry to meetings. Any brother can help out in the Northern Virginia Hospitality Room Friday night and Saturday around noon. If you wish to volunteer to work in the hospitality room contact **Pat McGuire** (ffxmacman@gmail.com).

Also on May 3rd, please consider joining us on that evening in the Fairfax Marriott at Fair Oaks, 11787 Lee Jackson Memorial Hwy. in Fairfax, VA. at 7pm as WWII and Korean War Veterans traveling with the North East Tennessee Honor Flight arrive for their Tour of Honor in our Nation's Capital to see their respective memorials. This is a very Family Friendly Patriotic event. You could even invite your neighbors and make this a community event.

Virtus Training will take place on Tuesday May 7th from 6:00PM-10:00PM in the Guadalupe Room. All Knights working around children must complete this training and complete a background check. All officers and future officers are required to take this class and complete a background check. If you wish to take this class or need a background check form, please contact **Dan O'Malley** (omalley1017@gmail.com).

Why You Should Have Long-term Care Insurance In Place Now

Common Long-Term Care Misconceptions:

Myth: I am probably already covered for long-term care.

Fact: Most people incorrectly believe that they have coverage for long-term care expenses.

Myth: My health or disability insurance will cover my long-term care.

Fact: In fact, many people incorrectly believe “other health insurance” will pay for their long-term care. The truth is surprising: long-term care is NOT covered by other kinds of insurance, including your HMO, health or long-term disability insurance. Only long-term care insurance you typically purchase on your covers day-to-day personal care assistance when you are unable to perform everyday activities like bathing and dressing.

Myth: Medicare or Medicaid will cover my long-term care.

Fact: Most people incorrectly think Medicare will pay for long-term care services. In reality, Medicare does not generally cover long-term care. Medicare pays for skilled care in a nursing home only for short periods (only up to 100 days) during which you are recuperating following a hospital stay for a related condition. Once your care needs stabilize, and you need personal or custodial care, Medicare will not pay these costs. Medicare will only pay for care at home under very limited circumstances. Medicaid pays for long-term care only for people with meager assets and limited income.

Myth: Long-term care is only for the elderly.

Fact: The need for long-term care can arise at any time in a person's life. While the majority of people who require long-term care are elderly, younger people can require it anytime due to severe unexpected illnesses, diseases, injuries or accidents.

Myth: My family and I probably won't need long-term care.

Fact: According to a recent report, a 65-year-old today has a 70 percent chance of needing long-term care services at some point during his or her lifetime. And, when you consider that people are living longer on average, the possibility of needing long-term care is likely to increase in the future.

Myth: I won't need long-term care insurance because my family will be able to care for me.

Fact: While families do and will continue to provide care, it is not possible to know for sure whether your family will be available and able to care for you when the time comes. It's possible that the type of care you might need will require professional help or a stay in a nursing home or assisted living facility. For many married couples, because the wife often out-lives her husband, she is less likely to have someone nearby who can provide care for her. Also, caring for a family member can be a substantial financial and emotional burden on your loved ones. It is important to decide how you want to be cared for and ensure that you are protecting your family. The fact that family and friends may help supplement care does not have any bearing on the cost of coverage.

Myth: My family can't afford long-term care insurance.

Fact: Long-term care insurance is more affordable than you might think and can be tailored to meet your needs and your budget. By creating a retirement plan or a financial plan that is right for you, you can manage the costs of long-term care insurance. Also, the younger you are at purchase, the more affordable long-term care insurance premiums will be.

The Knights of Columbus has premium Long-term Care insurance at excellent rates exclusively for our members and their spouses.

So, if you do not have long-term care in place call me Leo Durán today, and we can get you started.

Thanks, Leo Durán, 703-622-2068

April 2019 Knights of the Month

We are truly blessed to have a council that goes back almost 50 years and we are even more blessed to have many active brothers that have been around from the very beginning. Often during our meetings, we take time to honor brothers who have served as the Grand Knight in the past. In doing so we recognize the service in the past that these brothers have shown our council, but we also are able to recognize the service that these brothers

continue to do for the council. Our Knight of the Month has been active in our council from the beginning, he has served in nearly every roll in our council, district and state. But one of the things that I respect most in him is his continued humble service that he provides our brotherhood. Just this past month he showed up to support Fairfax History Days and was actively serving food to all that came. He regularly is part of our degrees and is active in our meetings. It is for these and many other reasons that we recognize **Tom Hogan** as the Knight of the Month for April.

April 2019 Family of the Month

Our Family of the Month for April is extremely active in our council and Church Community. They regularly run the monthly BIN-GO at the Fairfax Nursing Home. Julie and her students spend hours filling little plastic eggs with candy for the kids on Easter and if that was not enough they teamed up to run the food cart at the Fairfax History Day. This even has become an important fundraiser for the council providing much needed funds to help support our

many charities. It is for these and many other reasons that we recognize the **Clinch family** as the Family of the Month for April 2019.

Slate of Officers Nominated

At the Council Meeting on April 23rd, the following Slate of Officers was announced and nominated:

Grand Knight:	Gilbert J. "Gib" Flodine	Deputy Grand Knight:	Mark D. Walther
Chancellor:	Kevin A. Kleponis	Recorder:	John A. Johnson, IV
Treasurer:	Thomas J. Gross	Advocate:	Nelson R. Clinch, PGK
Warden:	Patrick A. McGuire, PGK	Inside Guard:	Charles A. Kraiger
Outside Guards:	James Beauchamp	3-Year Trustee:	Daniel J. O'Malley
	Philip C. Krebs, HLM		

Additionally, the following Slate of Delegates was announced and nominated:

Grand Knight Delegate:	Gilbert J. "Gib" Flodine	Past Grand Knight Delegate:	Daniel J. O'Malley
Alternate Grand Knight Delegate:	Mark D. Walther	Alternate Past Grand Knight Delegate:	Joseph M. Gesker, PGK

These slates represent the best wishes of the Nominating Committee for the Fr. Francis J. Diamond Council #6292 in the upcoming Fraternal Year.

The office of Chaplain is appointed by the Bishop at the request of the Grand Knight-elect, after consultation with the Pastor. The office of Financial Secretary is appointed by the Supreme Knight for a 3-year term at the request of the Grand Knight and Trustees, with the approval of the State Deputy; it should be noted that FS David J. Todd, Sr.'s current term will end this fall. The office of Lecturer is appointed by the Grand Knight-elect.

Finally, the Nominating Committee recognizes that none of us is perfect. As such, while we feel these slates will best serve the Council in the upcoming Fraternal Year, we understand that the others may feel differently. Therefore, nominations from the floor at the time of Elections on May 28 are not only permitted but welcomed! We do kindly request, however, that if anyone seeks nomination or intends to nominate someone from the floor, that they discuss this with a member of the Nominating Committee prior to May 28th. This will allow us to assist them in making the nomination in the correct fashion, and further allow us to notify the necessary parties to ensure that they are properly prepared for the balloting process.

Fraternally,

The Nominating Committee

David J. Todd, Jr., PGK, Chairman

Joseph M. Gesker, PGK

Herbert F. Zimmerman, PGK
