## Grand Knight's Message:

My Brother Knights,

As we head into September, we are moving full steam ahead. The summer began with our Pastor, Fr. Kelly and Fr. McGraw bidding us a fond farewell as they were being transferred to other Parishes in the Diocese. We wish both Fr. Kelly and Fr. McGraw the best in their new assignments. But, we welcome our new Pastor, Fr. David Whitestone with open arms. As is customary with the Grand Knights before me, I had the pleasure of meeting with Fr. Whitestone to introduce him to the workings of Fr. Diamond Council and to reassure him that we are here to help him and St. Leo the Great Parish. Fr. Whitestone and I, Steve Kehoe (DGK), and David Todd (DD) discussed many things during our meeting. Fr. Whitestone is very supportive to the Knights and he has asked us to continue in our programs and our support to the Parish as we did under Fr. Kelly's leadership.

And, yes, the big question on everyone's mind: What about the renovation of the Hall? Where does Fr. Whitestone stand on that issue, you ask? Yes, that issue was discussed and Fr. Whitestone is very supportive of renovating, or at least bringing the Hall up to code and asked what the next step would be. I advised that I would appoint a Renovation Committee to research the project, analyze the work to be done, and make a recommendation on repairs/improvements. This will take a lot of work and I ask for everyone's continued patience while the project is being explored.

As summer comes to a close, we head into the busy part of our Fraternal Year. September normally begins with the Annual Parish Picnic. However, this year it will be held on October 7th in conjunction with the 50th Anniversary of St. Leo the Great School. As always, this will require a full Council effort and I ask as many of my Brothers as possible to help make this another great success. This annual event will be headed by PGK Tim Tilson. Please come out and

support the Council and the Parish by volunteering to help with the Picnic. Likewise, October will bring the annual Fairfax Fall Festival to be held on Oct 13. PGK Tim Hogan will again lead this effort and will be seeking volunteers to help make this event the success it has been in the past.

Over the summer months our attendance at meetings and other events has somewhat declined. This is due in large part to Brothers and their families taking much needed vacations. I am hoping that attendance will increase as we spread out activities and promoter more social programs. One program in which I would like to see our attendance grow is at the monthly Mass prior to our meeting on the 4th Tuesday. Please make every effort to attend Mass prior to these meetings. What a great way to prepare ourselves for our meetings than by gathering together with our Chaplain, Fr. Cozzi for Mass.

In selecting the Knight and Family of the Month for July, I did not have to think too long or hard about who to select. The Knight of the Month for July is none other than Al Botticelli. Al, our Financial Secretary, was instrumental in averting a catastrophe with our liability insurance policy. Without going into too much detail, Al dropped everything to help resolve the issue. He came through when his Council (and Grand Knight) needed him most. Al, I can't thank you enough! The Family of the Month goes to Nelson and Julie Clinch for their fabulous work heading up the Installation of Officers reception. There took care of every detail and ensured all had a great time. Thanks so much, Nelson & Julie!

My continued thanks to everyone in the Council for your work, charity, unity and fraternity so far. I have no doubt you will continue to make our Council the best.

Fraternally,  
Bill Weich

**Knights of Columbus World Day of Prayer for Peace**

The Knights of Columbus World Day of Prayer for Peace strives to unite Knights, other Catholics and all people of good will – regardless of their religious faith – in prayer for peace.

While Sept. 11 will always be remembered for the tragic loss of American lives, Knights hope that this somber occasion will be the foundation of an annual opportunity for a day of earnest prayer for peace in the world.

“The World Day of Prayer for Peace will bring the world to the Church’s message of peace and reconciliation, so that religion will always be a cause for mutual respect and harmony, and never for violence or hatred,” said Supreme Knight Carl A. Anderson.

“In a special way, we remember the brave men and women of the military who work tirelessly, even to the point of sacrificing their own lives, to bring about true peace rooted in justice,” he added.

### **KOVAR – Knights of Virginia Assisting the Retarded**

In 1971 a group of Virginia Knights seeing the unfulfilled needs of the Citizens of Virginia with Mental Retardation decided they had to do something about it and KOVAR was formed. It began as a small effort and through the generosity of the Knights of Virginia, their families and the citizens of Virginia, it has grown into the largest non-governmental fund raising charity in Virginia specifically dedicated to helping citizens with mental retardation. This year we will make a grant that will push the total since 1971 to over 12 million dollars. To date our Council has raised \$460,622 of the states overall total. Our effort earlier this calendar year netted \$26,478.

Because of the efforts of the Knights of Virginia, their families, supporters and the generous people of Virginia we have over the years been able to ensure that many people who would otherwise be in state care facilities are in small, friendly group homes. Additionally you have helped to provide safe transportation, job training, recreational opportunities and health care initiatives that were in great need. Many facilities serving citizens with mental retardation have been up-graded, improved, and made safer. The list goes on and on. All of this would not have occurred without your efforts and the efforts of the brothers who preceded you.

It is time for the annual CFC, State, and United Way Campaigns to begin. When you are considering your pledges to these various campaigns please consider making KOVAR as a part or all of your donation. Your donation to KOVAR will be become a part of our goal for this fraternal year KOVAR Drive which will be held April 17th to 20th 2008. This year the numbers for these campaigns have changed. All CFC campaigns have the same number. The old number 5426 is no longer valid. Here are the new numbers:

National Capital Area - Combined Federal Campaigns - CFC: #42569

Virginia State Campaign - State Employees - #735

United Way Campaigns in the Greater D.C. Area - #8838

If you do make a KOVAR pledge in any of these Campaigns give a copy of your pledge form to either Bill Ward, PGK,

this years KOVAR chairman, or Al Leightly our Treasurer so we can get credit for your donation toward our goal for this fraternal year.

## Latest Information from Supreme Council

### *A Message from the Supreme Knight Carl A. Anderson*

Everyone who had the opportunity to meet, visit with, listen to or simply be in the presence of Cardinal Tarcisio Bertone at our convention earlier this month could not help but be impressed by the joy and hope he radiated. The Vatican secretary of state surely felt among friends at our 125th Supreme Convention, and he demonstrated it.

He brought personal greetings from Pope Benedict XVI to the convention. He also expressed his personal interest in the cause for sainthood of Father Michael J. McGivney, a priest he called "prophetic" and "truly well ahead of his time." As important, he spoke directly to what our Order needs to do during our anniversary year – and beyond – to live out our convention theme of Witnessing to the 'Yes' of Jesus Christ.

Addressing the convention on three different occasions, and at a press conference for Catholic media, Cardinal Bertone noted appreciatively the vital, active and "alive spirit" of the Church in America in general and of our Order in particular.

Like any good pastor, he also brought challenging words of counsel and advice. While the cardinal praised our Order's charitable activities, he reminded us that our good works can lose their deeper meaning if they do not remain "rooted" in our faith.

Cardinal Bertone also urged us to do more to reach out to young people, holding up Father McGivney, Pope John Paul II and St. John Bosco, founder of his own religious order, the Salesians, as models for this program of the new evangelization.

By inviting Cardinal Bertone to our anniversary year convention and presenting him with our Gaudium et Spes (Joy and Hope) Award, we knew we were honoring a great Church leader, statesman and pastor. The honor, it turns out, was all ours.

Vivat Jesus!

*Knights of Columbus reaffirms opposition to abortion, embryonic stem cell research Resolution calls for laws to protect rights of conscience for medical personnel*

(NASHVILLE, TN) - Delegates to the 125th annual convention of the Knights of Columbus today unanimously adopted a resolution reaffirming its "deep commitment to oppose any governmental action or policy that promotes abortion, embryonic stem cell research, human cloning, euthanasia, assisted suicide and other offenses against life."

The resolution, adopted during the final session of the convention at the Gaylord Opryland Hotel in Nashville, also called for "the adoption of laws that recognize and protect in law the right of conscience for doctors, nurses, pharmacists and other medical personnel, guaranteeing that they may not be forced to provide medical services which violate their religious beliefs." The resolution also called for "similar protection for Catholic hospitals."

Convention delegates also adopted resolutions expressing "Support for Natural Marriage," "Honoring Our Armed Forces," calling for "Decency in the Media and on the Internet," and calling for "continued use of "under God" in the Pledge of Allegiance.

The convention celebrated the 125th anniversary of the Knights of Columbus, which was founded in New Haven, CT in 1882. Among the highlights of the convention was attendance by Vatican Secretary of State Tarcisio Bertone, who delivered a major address Wednesday evening, and who expressed strong support for the cause for sainthood of the founder of the Knights, Fr. Michael J. McGivney.

In a continuing effort to offer its members and their families convenient, reliable, and stable ways to enhance their financial security, the Knights of Columbus has introduced a new annuity product: the Vantage Single Premium Deferred Annuity.

Vantage is designed to provide Knights with a safe and simple way to save for retirement. It features a lifetime minimum rate of return as well as a five-year guaranteed interest rate from date of issue. Additionally, after the first year of the contract, Vantage owners may withdraw up to 10 percent of the policy value annually without penalty.

“Vantage combines the advantages of fixed-rate guarantees with the security of principal that only a top-rated life insurer like the Knights of Columbus can provide,” said Supreme Knight Carl A. Anderson. “What’s more, with Vantage, our members can provide themselves an income stream that they cannot outlive.”

The Vantage annuity will appeal to members who seek to defer taxes on their retirement savings, or to preserve the tax-favored status of IRA and RRSP proceeds. Unlike many savings plans provided by commercial banks, a Vantage annuity offers a guaranteed lifetime minimum interest rate.

Vantage is just one of many products offered by the Knights of Columbus, which has consistently achieved the highest ratings for financial stability from both Standard & Poor’s (AAA) and A.M. Best Co. (A++), as well as certification from the Insurance Marketplace Standards Association for ethical business practices.
