Grand Knight's Message:

Brothers,
Happy New Year to you all! Vivat Jesus!
Now that Christmas Day is behind us, may I suggest: the secret of Christmas is not the things you do at Christmastime; it's the Christmas things you do all year through. I

wish I could take credit for that suggestion, but I am plagiarizing it from "The Secret of Christmas," which has been performed by Ella Fitzgerald, John McDermott, Johnny Mathis, SHeDAISY, and The Nylons. Nonetheless, I think it eloquently suggests we continue to practice our principles of Charity, Unity, Fraternity, and Patriotism at all times.

The Brother Knight I believe best exemplified our virtues during the month of November is Tim Tilson. Tim coordinated many phases of the Christmas Tree Sales, including ordering the trees, coordinating tree lot setup, making sure things go well with tree delivery, coordinating Christmas tree team assignments, ensuring the supplies needed were available, and enabling coordination with other parish groups. These activities began well before trees were delivered Thanksgiving weekend and continued through most of December. I am sure Tim would agree that he does not do it alone, so I would like to thank all who helped **November Knight of the Month—Tim Tilson.**

Another fundraiser in November was our annual Spaghetti Dinner. For coordinating that effort, and for all activities he and his wife contribute toward with Father Diamond Council, Father Malloy Assembly, and the Columbiettes, I would like to thank **Kathy and Bill Weich, the November Family of the Month.**

By the time I get information on Providence Hall renovations progress into the newsletter, it is outdated. However, I find it encouraging seeing steady progress on these efforts. The power is out on the entire building, including the shed, so this suggests progress is being made towards the electrical work that needs to be done. Anyone needing anything from the shed should bring along a flashlight.

Please pray during this anniversary month of the Roe vs. Wade Supreme Court decision that the United States and all countries of the world come to value human life and end the curse of death that is abortion. Please also join us in the March for Life, which this year will be on Monday, January 24, and continue to send me pledges on the number of rosaries prayed for Life, Marriage, and the Family. E-mail me at clinch5va@yahoo.com or call me at 703-385-2146.

In thanksgiving for all your noble efforts,
Nelson Clinch

E-mail Distribution

Many of our Knights have received e-mails from "kofc6292-request@mailman.kofc.com." These are legitimate e-mails generated as a result of testing conducted on a BACK-UP e-mail system.

Current e-mail procedures remain in place. Council e-mails will continue to be distributed by Hank Urban. In the event he is on vacation or otherwise unavailable, this backup system can be used by the Grand Knight to distribute time-sensitive information.

Deputy Grand Knight's Report:

Brother Knights,

I hope all of you had a Blessed and Happy Christmas and that you will have a Healthy and Happy New Year 2011.

Father Diamond Council has another successful Christmas Tree sale and the profit will help to fund our extensive charity programs. This success is due to the efforts of dozens of our members who gave their time during the busy Christmas season.

The Council's Annual Christmas party was held on December 11th and was attended by more than 50 Knights and their wives and friends. Special thanks go to David Todd, Jr., who chaired the event and to Al Leightley, Jack Cotner, Matt West, and many others Brother Knights. We must also extend a very special thanks to the Columbiettes for the decorations and assistance in setting out the voluminous amount of appetizers, entrees, sides and desserts. The party attendance was boosted by our Chaplain Father David Whitestone and Father Robert Wagner.

Please remember our Council Meeting on Thursday, January 13th with a Rosary at 7:30 PM; a Degree Exemplification at 8:00 PM followed by a Business Meeting. On Thursday, January 27th Mass at 7:30 PM a Second Degree Exemplification at 8:00 PM followed by a Social Meeting. On Saturday, January 29th we will host a Third Degree Exemplification in St. Leo's Parish Activity Center. Candidates are to arrive at 11:15 AM and the Degree is to begin at Noon followed by a luncheon which will also be held in the same place. This is a change from previous years when the three degrees were held in the same week. Please try to attend as many of these events as possible to show our new members that we fully support them.

The monthly Rosary will be across the street from the Eaton Place Abortion Facility on Saturday, January 8th at 8:00 AM. Your attendance is encouraged to pray for an end to this evil.

On Monday, January 24th our Council will be at the March for Life and soliciting donations from the attendees. The funds collected are needed to help defray the cost of the March for Life activities. Additional information will be found elsewhere in this newsletter.

Vivat Jesus,
DGK Greg Skorupski

Newsletter Deadline

In order to ensure timely delivery of the newsletter, the deadline for submissions to The Lookout is the **15th of the month** prior to when you want your information published. Early submissions are appreciated. You can send your info to **Herb Zimmerman at herb2777@yahoo.com or call him at 703-385-9455.**

Columbiettes' Corner

We worked with the Knights in the annual Christmas Dinner Dance. Members provided appetizers and desserts and helped with the decorating and cleanup. Columbiettes recruited funds which we used to assist the Andrews Air Force Base Fisher House by providing a large variety of toys for the annual Christmas Party for children suffering with various forms of cancer.

Immediately following the December meeting the Columbiettes participated in a cookie exchange. Each participant brought in their best efforts and shared their recipes with those who were lucky enough to receive their contribution.

Our next meeting is scheduled for Wednesday, January 18 at 7:30 PM in the St. Marks Room. We will be discussing plans for our annual soup supper.

All wives of Knights are Columbiettes and are more than welcome to join us at our monthly meetings or at any of our other events. If you would like more information or would like to be placed on the email distribution list to be kept to update with meetings and our events, please contact Linda Baringhaus at 703-385-9455 or Email lindamb3510@yahoo.com.

Chancellor's Message

January is a big month for the recruitment and advancement of members for our Fr. Francis J. Diamond Council. On Thursday, January 13th, we will induct new 1st degree members. Then two weeks later, on Thursday, January 27th, we will advance any existing paid up 1st degree member to the 2nd degree. And, on Saturday, January 28th, any existing paid up 2nd degree member is welcome to advance to the 3rd degree.

So, for all existing members, let's recruit a new member or two, or more, for the 1st degree which will be conducted at our regularly scheduled January 13th meeting at 7:30 PM in the Guadeloupe Room of the old parish hall. Please notify me with the name and a completed Form 100 as soon as possible. I wish to express my sincere thanks to the following members - Tim Tilson, David Todd, Sr., Al. Leightley, Tim Hogan and Tom Kelly - who assisted in recruiting the Council's eight newest Knights. As our goal is twenty four new Knights for this year, I need everyone's help in getting as many new members for installation as soon as possible.

Then, on January 27th at 7:30 PM any fist degree Knight in good standing (i.e., 2011 paid dues) is eligible to advance to their second degree. And for any current first degree Knight please notify me of your intention/interest!

And finally, we will have a third degree installation of all second degree knights in good standing at 11:15 AM on January 29th - again, if you can attend, please contact me. The ceremony concludes with a meal in the late afternoon.

March For Life History

Late in October 1973, grassroots prolife leaders became concerned that January 22, 1974, might come and go without properly memorializing the Supreme Court's infamous abortion decisions and without petitioning Congress for redress.

No established right-to-life organization was prepared to undertake the planning, financial and operational responsibilities for a high impact prolife March on the U.S. Capitol. But, grassroots pro-lifers wanted to march!

About thirty prolife veterans resolved themselves into a committee and began making plans for the first March for Life.

On January 22, 1974, the first March for Life was held on the West Steps of the Capitol. An estimated 20,000 committed prolife Americans rallied that day on behalf of our preborn brothers and sisters.

In 1974, the March for Life was incorporated as a non-profit, non-partisan, non-sectarian organization.

Our numbers have gradually risen through the years despite reduced numbers from the snow in 2000 and the terrible 9/11 attacks just months before the March 2002. These growing numbers give testimony to the increasing ranks of prolife Americans and to the importance of the March's work.

The life of each human being shall be preserved and protected to the same extent as the life of each and every other human

Fraternal Benefits Advisor Message

Retirement balancing act

Think of retirement as a three-legged stool. In order to maintain balance, you need all three legs... or there is a real possibility of a crash!

One leg consists of the benefits the government offers you. Debate rages about the viability of future benefits, and my best advice is to stay tuned to the discussion and make sure you are aware of what is planned for those benefits. Any change in future promises should be accounted for when we get to the third leg.

The second leg is your company's pension plan, either defined benefit (such as a traditional pension: you work so many years and the company provides you with so much monthly benefit) or defined contribution (such as the popular 401K plans). Some of these plans, particularly traditional ones, are under stress, have been frozen or pared back. Learn how yours works; read the plan description; stay on top of the news coming from the company. On the 401K side, become a good investor. Teach yourself the fundamentals of good diversification and know how much you have and when you will need it.

Finally, the third leg is the saving you do yourself, and this is the

only aspect you can control completely.

Everyone needs this third leg. It consists of the money you personally set aside on a disciplined basis to help in retirement. You don't directly control government benefits and you don't directly manage your company's pension plan, but you must manage your money and your life.

Establish a retirement plan of your own. Here at the Knights of Columbus, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into that annuity over time can guarantee you an income that you cannot outlive at retirement. That's right – guarantee you an income you cannot out-live. That really will provide you with peace of mind.

As you ponder all the things that may not work out as you proceed toward retirement, think about the one thing you can do to help yourself. It's reasonably priced, guaranteed and controlled by someone you trust: you!

 **Law of the Bath** - When the body is fully immersed in water, the telephone rings.

Children Say the Darndest Things !

A Kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child's work. As she got to one little girl who was working diligently, she asked what the drawing was. The girl replied, "I'm drawing God." The teacher paused and said, "But no one knows what God looks like." Without missing a beat, or looking up from her drawing, the girl replied, "They will in a minute."

A little girl was talking to her teacher about whales. The teacher said it was physically impossible for a whale to swallow a human because even though it was a very large mammal its throat was very small. The little girl stated that Jonah was swallowed by a whale. Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible. The little girl said, "When I get to heaven I will ask Jonah". The teacher asked, "What if Jonah went to hell?" The little girl replied, "Then you ask him."
