2012-2013 Fraternal Year, Issue 1 & 2

July/August 2012

## Grand Knight's Message:

Brothers,

Another Fraternal Year has begun, and we will have much to do. Fortunately, the Council is well positioned to tackle the challenges we will face this year, thanks to the generous leader-

ship provided by our immediate Past Grand Knight, Greg Skorupski. I can't express how much I appreciate all Greg has given to us, especially during this past year. Be sure to thank him next time you see him (which should be soon, as he seems to be everywhere).

I am also grateful that July is a typically quiet month for the Council. This gives me and all of our Officers and Chairmen the opportunity to get organized before things get truly busy. I have been reflecting upon our values and would like us to set aside some special time this year to focus upon the fraternal aspects of our Order. Fraternity was one of the most attractive aspects of the Knights that drew me to join nearly ten years ago, but is one of the easiest to overlook. I think we do a good job as a Council showing our brotherly love for our fellow Knights, but also think we can always do better. I ask each of you to dedicate some time in prayer this summer to reflect upon our Order's values, particularly fraternity. I also welcome ideas for fraternal activities we can engage in, particularly some that may help engage members who cannot often come to our meetings.

By the time you read this, Independence Day will likely have come and gone. I know the patriotic spirit is strong in our Council, so I hope you enjoyed the day and took the time to reflect on the extraordinary events that created our nation. I also hope that you have been praying for the protection of religious

freedom in our country as part of the Fort-night for Freedom, which concluded on Independence Day. It is important to remember the sacrifices that so many have made to purchase and protect our liberties. We cannot turn an apathetic eye when these liberties are threatened.

With that, I am eagerly looking forward to another great year for Father Diamond Council. With your active involvement and support, this can be one of the best years our Council has had yet. Keep recruiting! Keep thinking of new and better things we can do! Keep active! And most importantly, keep praying!

Vivat Jesus

Dan Purtill

## Deputy Grand Knight's Report:

Brothers,

When Columbus began his voyage in August 1492 that would lead him to the New World, he was accompanied by a crew of 90 men. As we begin a new fraternal year in the name of our patron, Christopher Columbus,

we must remember that his discovery, which we rightfully celebrate and honor, was not a mission that was completed by one man. Columbus had the vision, but his crew provided the muscle and fortitude to support the voyage. So to must we, brothers in Father Diamond Council, step forward to be the "crew" that allows this Council to continue its mission and voyage of serving our community and demonstrating the virtues of the Knights of Columbus.

As your Deputy Grand Knight, it is my humble task to organize and mobilize the crew of our Council. We have been truly blessed to have a number of men in this Council who dedicate a significant amount of their time to help the Council and its mission great. I understand that everyone has constraints on their time; and a man must attend to his livelihood and the well-being of his family before he can commit his time to the Council. But I ask that this year, if you have not been able to participate in Council activities in the past, consider coming out to help at one of the number of events that we have. Your support will allow the Council to continue with its good work. And active participation with the Council, even just for one event, will make your time in the Knights of Columbus that much more rewarding. If there is a particular event we are not doing, but you would like to see the Council undertake, please bring the idea forward. We are always looking for new ways to serve the community and promote the virtues of our Order.

Now some of you students of history may be saying at this point, "didn't Columbus's crew come to a near mutiny against him?" Yes, they did, but ultimately Columbus's divine mission was fulfilled by the men on the ships pulling together to support their captain. In a way, this can be much like a Council. While I would not condone open mutiny against our new Grand Knight, discourse and dialogue about the direction of the Council is healthy. If you have a concern, bring it forward for discussion. Don't let a small problem become a big one that drives you away from involvement with the Council.

The best way to find out what is happening at the Council is to be on the Council's email list serve. If you have not been getting emails from Nelson Clinch, PGK, or others from the list serve, please let me know, and I'll make sure you are added. Another excellent way to find

out what is going on at the Council is to come to the Council's monthly meetings. Not only do you get to hear the latest happenings of the Council, but you have a chance to socialize with your Brother Knights. The next meeting of the Council will be Tuesday, July 24. Finally, the Council's website and newsletter provide timely and interesting information. We are still setting the calendar for the fraternal year, but please check back to the website soon to see the latest events. If you ever have any questions about a program or wonder where you can help out, do not hesitate to contact me at [-Askmekofc@yahoo.com](mailto:-Askmekofc@yahoo.com) or at **703-475-2190**

As always, Father Diamond Council has a busy year planned. Just as the voyage of the great Christopher Columbus would not have happened without his crew, we need all Brother Knights to give of themselves, in whatever way you can, to make this fraternal year a success.

Deputy Grand Knight

## Council News & Events

### Time Change—Nursing

#### Home Bingo

Each month the council runs a bingo game for the seniors at the Fairfax Nursing Center. Brothers and their families are encouraged to meet on

**Monday, July 9 at 7:15** to run bingo for the residents. We should be finished by 8:30PM. What a wonderful opportunity to give the most valuable gift—**your time and love**. Call **Bob Bilko at (703) 359-6824** to volunteer.

### Rosary to End Abortion —

Please join us in praying the Rosary across the street from the abortion facility (located on Eaton Place... we meet across the street from the Best Western) on **Saturday, July 14 at 8 AM**. Even if you can only come for part of the Rosary (we pray all 20 decades of our Lady's Rosary, usually ending by 8:45), your time will be well spent. Family members are also welcomed to join us in praying for Mary's intercession for an end to abortion.

**IT's WORKING!!! Our efforts have borne fruit. One of the two abortion clinics on Eaton Place has closed its doors. Lets keep up the effort!!**

### Grand Knight's Ball—Wonderful Time Had by All

This year's Grand Knight's Ball, celebrating another successful year and honoring several brother Knights for their outstanding contributions this past year, was held at the Army/Navy Country Club in Fairfax. The ball was attended by over 60 brother knights and their wives. We were honored to have the new State Deputy elect attend this year's event. A wonderful prime rib buffet dinner was enjoyed by all along with great dancing and fun. More information about the Knight of the Year, Family of the Year and Grand Knight's Award winner is presented later in this newsletter. Also check out the pictures of the Grand Knights ball.

### Car Raffle Results

This is the second year we have participated in the annual Car Raffle. This year we included all St Leo's parishioners in the mail-out and we split the proceeds of the raffle with

St Leos to be used for scholarships. After deductions for printing expenses and postage, we had a net profit this year of nearly \$10,000. This was split 50/50 with St Leos. As promised, these funds will be allocated to K of C Charities such

as donations to the Knights of Virginia for the Mentally Disabled (KOVAR), the Tepeyac Family Center and others. Chairman PGK Mike Purtill did an outstanding job of coordinating the mail-out effort and the "direct sales" campaign. Thanks to everyone who helped this year and especially our Brother knights who sold or purchased tickets. Look forward to an even bigger success next year under the Chairmanship of PGK Nelson Clinch.

### Steak Night

Steaks, steaks and more steaks. The Botticelli Boys did another outstanding job cooking the best darned steaks this side of Texas for about 40 very hungry and appreciative Brother Knights. The usual accoutrements of baked potatoes, salad, roles, beer and soft drinks, and desserts rounded out this year's End Of Year Steak Night event. I'm not sure if anyone noticed but these steaks were prepared on New Big Bertha. The grill, which was purchased recently, can cook 40+ steaks at a time. This was a great night.

### Crab Feast—Coming Event

This years Crab Feast is scheduled for Saturday, August 25. Mike Purtill will once again put on the best darned crab-picking event in all of Northern Virginia at the KofC Hall. Reservations must be made in advance or you will be asked to pay extra at the door. With reservations it will be \$35 for Adult Crab Eaters (\$45 if you show up unannounced). As usual Landlubbers and kids will be charged \$10. All-you-can eat and drink. This is a GREAT DEAL!!!

### Hall Cleaning— July 14

The Hall manager has asked for help on Saturday, July 14 at 10:00 AM to give the hall a thorough "Spring" cleaning and re-arranging. This is your opportunity if you are a compulsive "get rid of everything guy" to come on out and have a say in what we throw away and what we keep.

**Installation of the 2012-2013 Officers—has been postponed due to storm damage.**

#### Shopping that all men should do

By nature, most men do not like to shop. At the risk of sounding chauvinistic, that inclination seems more likely to drive our wives, daughters, mothers or other females we know. Sure, there are exceptions. Maybe you enjoy trips to the hardware store for a tool to help on a home improvement project. Maybe you're a collector or you like to shop for cars. Maybe you like to find the best deal on the newest high-tech gadget for your living room.

When you do decide it's time to make a purchase, if you're like me, you want to get the best value for your money. You want the best customer service possible. Sometimes, this requires lots of research and planning. But one of the most important purchases you can make can be put into motion through a simple meeting with me, a brother Knight.

The core product offered by the Knights of Columbus is not glitzy. It's not like a new car or a classic one. It's not like a laptop or a flat screen television. It's not something you can "show off" to your friends, but you can brag about it. Life insurance is something that everyone needs. If you have some life insurance, the odds are great that you need more. If you don't have any coverage, you should stop to

consider all the benefits of a whole life policy. Remember, it's not about you. It's about your family.

When was the last time you shopped for life insurance? If the answer is "a long time ago" or "never," it's time you speak with me. Have you considered your retirement and how you will afford to maintain your current lifestyle? Our annuities can help. Is your income protected in the event of a serious illness or injury? Are you prepared to cover the expensive costs of long-term care should you or your spouse need it? The Knights of Columbus can help provide solutions to these common situations, too.

Please schedule an appointment with me today.

### *Knight of the Year for 2011-2012 - Mike Purtill*

**"The Knight of the Year award was a "no-brainer"',** said Grand Knight Greg Skorupski as he presented this award.

During the past year this Knight stepped up to fill the void when our beloved and often maligned long time Hall Manager, John Judge, was dealing with prolonged illnesses. He then accepted the job of Hall manager when John passed away.

His hundreds of hours spent on planning for and then processing all the returns for this years Car Raffle resulted in our raising nearly \$10,000 for KofC Charities and St Leo's scholarships.

While doing all this, he participated on nearly every event we held in the past year.

### *Family of the Year for 2011-2012 - Julie and Nelson Clinch*

**"I did not need to struggle with selecting this year's Family of the Year"** - Greg Skorupski, Grand Knight

This Knight and his entire family put forth a fantastic effort this year working on our KOVAR drive. As a result of their leadership and our Brother Knight's efforts we were able to meet this year's KOVAR collection goal of \$18,000. This family was involved with every Council function we held this past year and were "behind the scenes" at most of them performing a whole lot of work.

This family, and their kids, were always ready to help out at any event they were either in charge of, working at or even just attending.

The Family of the Year for 2011-2012 goes to Julie and Nelson Clinch. Our sincere thanks to the whole Clinch Clan.

### *Grand Knight's Award 2011-2012 — Al Botticelli*

**"This year's recipient of the Grand Knights Award as a man who has managed, after a great deal of effort, to keep me out of trouble."** - Greg Skorupski, Grand Knight. This part of his job was not easy and wasn't even part of his job description.

During the past year he has spent countless hours performing functions that were far beyond those required of his position.

He was the grand overseer of the "punch list" for the renovations to the hall and he is still working with the contractor to get the job done completed properly. His wife often wonders what he is getting into next. He has involved his whole family in preparing spaghetti dinners, cooking for the breakfasts, and cooking for the steak nights.

I am pleased to present the Grand Knight's Award to our Council's Financial Secretary, and my good friend, **Al Botticelli**.
