## Grand Knight's Message

Dear Brother Knights and Families,  
Summer is fading, and in any normal year we would be off

on our final vacation of the season or getting ready for the kids' return to school. We realize, though, that our lives have not returned to normal. Despite it all, our council has found ways to persevere and be true to our core principles of Charity, Unity, and Fraternity.

Throughout July and August, we assisted the priests, parish, and community by monitoring outdoor confessions, helping to seat congregants at Mass, volunteering at the St. Leo's Social Ministry Food Pantry, donating blood, providing transportation to medical appointments for those unable to do so on their own, and maintaining social ties either virtually or by limited in-person gatherings as permitted under the current restrictions. I would like to thank all those who made it possible to go forward with our Installation of Officers and subsequent dinner, as well as the re-scheduled Steak Night and Grand Knight's Dinner (they were definitely worth the wait!).

I especially want to thank David Todd, Sr., who has decided to step down from the position of Financial Secretary, for his nearly seven years of faithful service. We will be working to select his replacement in the coming weeks. David will remain an active member of the council and has graciously offered to provide guidance to his successor.

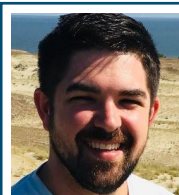

Thanks also to Tom Gross whose highly proficient bookkeeping enabled the quarterly audit in July to again be conducted expeditiously and without issue. Tom continues to provide assistance to the current

Treasurer and to other officers since he stepped down in June after several years of steady service at that position.

**Pray the  
Rosary  
Daily**

We look forward to a somewhat reduced fall calendar of events, taking it week-by-week as restrictions due to the pandemic continue evolving. Many of our fundraising events are tentative at this point, so I ask that you remain flexible and volunteer to help on shorter notice. If you cannot participate in such events, please consider providing a cash donation to help us overcome what may prove to be a lean fundraising year. The first major event, the Jambalaya Dinner, will take place on September 26. This is in place of our annual Crab Feast which cannot be held this year to both the high price of crabs and the need for social distancing. Please see further details in the pages that follow. We have tentatively scheduled our Garage Sale on October 17 and our first Family Breakfast of the fraternal year on October 18. Thank you again for all you do for the church, this council, and for each other.

Vivat Jesus!

## Deputy Grand Knight's Report

Brothers,

I hope you all are doing as well as you can be during these difficult times. It has

been a tough summer, with vacation plans put on hold and regular activities cancelled. There has also been so much uncertainty about the start of the school year and what that would look like for students, parents, and teachers alike. As we continue to do the best we can with the circumstances we find ourselves in, it is important to remember that our God is a loving, merciful, and importantly in these times, victorious God. While individual battles still rage on a daily basis, rejoice and be glad, because our Lord Jesus Christ has already conquered death and claimed the victory.

(continued on page 2)

## Chancellor's Report

Please join me in welcoming Jason Detten, our newest member to 6292, who was voted in to Fr. Diamond Council as a transfer member during the August 25th business meeting.

In these difficult times of the COVID-19 pandemic, efforts to reach out to fellow Knights, as well as Parish and community members, to advance our core principles of charity, unity, and fraternity is more important than ever. While we are unable to hold the many events typical for our busy council due to the pandemic, please keep our fellow brothers in your prayers, and reach out to the community to spread the word of our amazing organization.

One great way to spread the word is to wear your Knights Gear (<https://www.knightsgear.com/>), and ask people you meet "are you a Knight?". If they are Knights, ask why they joined and what we can do to help them become more active. If they are not Knights, but may be interested, feel free to pass on my contact information, get their contact information to me, or best yet, get them to fill out a Form 100!

Brothers, as we strive toward our goal of 20 new members, please remember to remain open to possible recruitment opportunities each day. Thank you for your continued efforts.

Vivat Jesus,

John Johnson

Chancellor, Father Diamond Council 6292

## (Deputy Grand Knight Report—continued)

Continue to pray for each other, for our priests, for peace in our world, and for the doctors and scientists working on an effective vaccine for Covid-19.

Unfortunately, due to the circumstances, our programming this Fall will be limited with many activities already preemptively cancelled. However, we will continue to do our best to be flexible and afford opportunities for our membership to safely gather in community to practice our virtues of charity, unity, fraternity, and patriotism.

To that end, while the annual Crab Feast has been cancelled for this year, in its place we will be hosting our first Jambalaya Dinner Fund raiser on Saturday, September 26, 2020 from 5:00 PM to 8:00 PM. This will primarily be a "Take-Out" event, where families will be able to pick up a delicious meal from Providence Hall to take home and enjoy together with their families. The menu will include authentic Jambalaya, cornbread, Cajun vegetables, and desert. There will be limited in-person seating in the hall, but reservations are a must so we can purchase adequate food and set up the space appropriately.

I continue to pray for you and your families. May God bless you.

Kevin Kleponis

Deputy Grand Knight

## Knight of the Month—July 2020

The first month of the new fraternal year always brings with it an important ceremonial event for the council, the Installation of Officers. Thankfully, **Dave Todd, Jr.** volunteered to help, bringing to bear his much-needed knowledge and experience as well as his planning and coordination skills. On short notice, Dave put together and continuously updated a status report of the officers required to attend the ceremony in the church. On a parallel track, he planned and prepared what turned out to be a delicious roast beef meal for the Installation Dinner that took place in Providence Hall. Here again, Dave worked out the logistics involved, developing and maintaining a list of those who would attend the dinner so as to monitor the total number relative to the maximum allowed due to coronavirus considerations. Thank you, Dave, for taking on additional responsibilities and making our Installation and dinner a success through your tireless attention to all aspects of planning and execution, both great and small.

## Knight of the Month—August 2020

This Brother Knight can always be counted on to take charge of organizing a council dinner, and indeed **Pat McGuire** did just that for two big events: Steak Night in late July and the Grand Knight's Dinner in mid-August. Even with the added complications posed by the pandemic restrictions, Pat came through with delicious meals served to the enjoyment of many. He does this by assembling a capable team and employing his considerable interpersonal skills in seeing that the every guest has been satisfied. The results were that the Steak Night steaks were generous in size and cooked to perfection, and the first Grand Knight's Dinner to be held at Providence Hall in recent memory offered a menu and ambiance equal to the occasion. Thank you, Pat, for being our go-to dinner organizer and unofficial goodwill ambassador.

## Family of the Month—July 2020

Our July Family of the Month seems always to be ready and willing to provide assistance to the parish and our council, even on short notice. As a result of the ever-evolving requirements placed on social gatherings in this, the era of the coronavirus, a new approach to serving a dinner in Providence Hall was needed. We learned in late spring and summer that the buffet style of serving food was no longer permissible. A different way was needed in order to be compliant with state, local, and diocesan rules on food handling and social distancing. What's more, the new procedures required the involvement of additional people who had to be lined up for the Installation of Officers dinner with only a couple weeks' notice in the middle of summer vacation season. Enter **Patrick and Janice Murray and their family**, who without hesitation pledged to help ensure the dinner would be served without a hitch. Pat and three of his children - Kathleen, Siobhan (Chevon), and Kevin - manned the various food stations to cordially and efficiently serve to walk-up dinner guests. Afterwards, they saw to stowing the leftovers and helping with the hall cleanup. Pat was also on the leading edge of providing assistance to Fr. Whitestone and the other priests hearing confessions outdoors by monitoring and managing the flow of parishioners around and into the church. Pat's wife Janice is often the facilitator behind the scenes, providing much needed support. It is indeed hard to imagine many important church and council activities taking place without the heartfelt devotion of the Murray family.

## Family of the Month—August 2020

**Herb Zimmerman and his wife Linda Baringhaus** are distinguished by the myriad ways in which they show their devotion to the local community, the parish, and the council. This summer, Herb and Linda not only volunteered to assist St. Leo's Social Ministry with their Food Pantry drive-up distributions to the needy and other activities, he organized additional volunteers from the Knights to assist as well. As Hall Manager, Herb oversees all aspects of Providence Hall. Linda helps with supplies and Charlie Kraiger assists as well. Herb is also the editor of the Lookout that is published monthly so that everyone can stay informed about council events and milestones. Although sidelined in their roles of late by restrictions imposed as a result of the corona virus Herb and Linda have assisted with church seating and confession monitoring. Linda has produced and freely distributed uncounted facemasks for the Diocese and others in need. At the same time, Herb set up our council's first virtual meetings, assisting individuals with setup and troubleshooting. We thank Herb and Linda for their strong faith and devotion as shown through all the good work they have done!

## Grand Knight's Awards—2019-2020 Fraternal Year

### Family of the Year

The nominee family life demonstrates strong Christian values and boundless energy and love for the poor, especially those who are in desperate need. They serve as a model family in our parish and our community. They perform each of the seven corporal works of mercy on a regular basis in all of their activities in their daily lives. They do not just take care of the parish community or the local community but also their extended Philippine community. This family has participated in the Feed the Homeless Project for over 25 years by preparing home-cooked meals to serve in D.C. They also prepare lunch for approximately 200 homeless on Wednesdays at CCONV shelter. Special meals are prepared for approximately 500 at Thanksgiving, Christmas and Easter, which is supported by the Council, local friends and youth groups, and prepares the Thanksgiving Meal at the Lamb Center for approximately 150 homeless. They provided financial support for Christmas dinners to 25 families in Carless, 110110 Province, Philippines.

They also cook weekly for Fairfax Volunteer Fire Department Bingo in support of raising the funds necessary for their charitable activities. They serve as an active member of the Divine Mercy organization and prepared all of the food for their March Retreat. They coordinated the Sambaing Gabi celebration and were instrumental in rejuvenating participation. The family is involved with the preparation and delivery of Council meals.

After the devastation for those who lost their lives during typhoon Yolanda that tore through the Central Philippines killing over 9,000, the family went on a mission to build 12 homes and has returned to continue supporting this project. The family bought 3 fishing boats to allow men to make a living after the typhoon. The nominee family has been instrumental in managing many fundraisers needed to support the building of over 25 new homes for those who lost their homes destroyed by the 2019 earthquake. The nominee's wife recently traveled to the Philippines to assist in directing the building of homes and a church for villagers in the Philippines and feeding the weary workers. Chapels have been built in the Philippines using the support the family has given. For all the work that this family is involved in it gives me great pleasure to present the **2019-2020 Family of the Year award to Thelma and George Billy.**

### Knight of the Year

He serves as a Eucharistic Minister at masses both on weekends and during the week, which includes delivering communion and praying with the home-bound.

He has served as the Council's Charity Chairman for many years. In that role he was responsible for coordinating the Council's Program at St. Leo the Great Catholic Church with Social Services (formally St. Vincent DePaul Society). During that time, he was not only regularly collecting food for the Program, but he accepted the responsibility to organize the intake of food and supplies for the special delivery of meals three times a year: Christmas, Easter, and Thanksgiving, with more than fifty families being taken care of.

A strong Catholic man who has served our Council with unwavering dedication and commitment contributing to the Council's great successes. Very active member of the Council 6292 for nearly 20 years. He has brought our Council's accounting processes into the 21st century. His undivided attention to details has made our Council one to be very proud of. He has developed an excellent procedure to efficiently conduct the required Biannual Council Audit. Not only do we have an outstanding audit process, but our bills are paid on time and Council members are reimbursed for their official expenditures in a timely manner. The **2019-2020 Knight of the Year goes to**

**Tom Gross**

### Grand Knight's Award

When there is an activity, it is vital to have people volunteer to assist with the event. This person has stepped up to cover such activities as the Crab Feast, Building Committee, Holiday events and the 50th Anniversary GK Banquet. He has taken excellent care in the cleaning of the kitchen and the hall. He has become in a sense a co-hall manager working when Herb has had to be out of town. He is always willing to come to the aid of anyone needing assistance. He is always ready with suggestions and guidance. I present the **2019-2020 Grand Knight's award to Charlie Kraiger**

## Grand Knight's Special Award

This special award goes to someone we all know and have all been a recipient of her dedication to making sure everyone is happily fed. Julie, you and your assistants have created another fantastic meal for the Grand Knight's Dinner. You are always immediately there for someone bereaving or recuperating from surgery and will appear at their door with a meal. You enjoy spending time with the youth including teaching them art of cooking. You have been a valuable asset to the Knights of Columbus filling in not only when a meal is needed, but often co-chairing, with your husband, several of our concession events such as the Antique Auto Show and the Fairfax History Day at Blenheim.

For all your hard work for the Knights of Columbus and the community, I would like to present this **Special Recognition Award to Julie Clinch.**

## 2019-2020 Young Woman of the Year Award

This young woman has been actively involved at St. Leo the Great Catholic Church in a variety of ministries.. She has been active in the Youth Ministry and service, particularly with the Father Diamond Council. She is a well rounded individual who excels at school, sports and active in a variety of clubs. She has been a leader among her peers, and has risen to the occasions presented her to lead. She goes above and beyond assisting others and inviting them into the St Leo the Great Parish community. She works part time for a Catholic family who has 3 children on the autism spectrum with patience and care. She also puts her equestrian skills to use by helping the family with their horses. Because of the care that she gives to those around her, and her quiet leadership, she is an excellent choice for Young Woman of the Year. It is my pleasure to present the **2019-2020 Young Woman of the Year award to Virginia Fehrer.**

## 2019-2020 Young Man of the Year Award

This young man has been involved with Sunday Night Live (the weekly youth group), Lead Team (weekly leadership and discipleship group), the Diocese of Arlington's One Act Play Festival and high school work camp. He is a natural leader and role model among his peers, especially with the underclassmen young men. Without prompting, he will get a group together to help clean up after meals at weekly events and ensures all others follow the rules especially on retreats and work camp. When there is a volunteering opportunity he is there. He has visited the Nursing Homes, assisted with Parish Knights of Columbus and the Diocesan Sambaing Gabi Reception (serving food and welcoming guest). When he is not volunteering, he can be found participating in the Fairfax High School Marching Band and their Honor Band. It gives me great pleasure to present the **2019-2020 Young Man of the Year Award to Brian Kempe.**

Emcee Pat McGuire welcomes all Knights and Ladies to the Grand Knight's Dinner.

Grand Knight, Gib Flodine, gives his State-of-the-Council Address.

District Deputy, Joe Gesker provides his remarks and congratulations to Council 6292.

## Knights of Columbus FOURTH DEGREE *Patriotic degree of the Order.*

### 4th Degree Exemplification October 31, 2020

Brothers,

The next 4th Degree Exemplification for the Virginia District is scheduled for Saturday, October 31st. Incidentally, that will be the same day our Order's founder, the Venerable Fr. Michael J. McGivney, will be Beatified, bringing him one step closer to Sainthood!

Originally, the Exemplification was planned to be in Virginia Beach... however, this morning it was announced that it will be done as a virtual live-stream event. To accommodate a viewing of the Exemplification, we have already reserved the school gym at St. Leo's.

Any 3rd Degree member of the Order interested in taking the 4th Degree on this occasion is encouraged to do so... if for no other reason, to honor our Order's founder! All you need to do is complete a Form 4 (Application for 4th Degree), and submit a check for \$50 (this Initiation Fee is set by Supreme!). Then on October 31st, we would ask you to arrive at the school gym no later than 11:30 AM for the Noon Exemplification (we have some processing we need to do upon your arrival, including notifying the District Master of your attendance). The Exemplification takes about an hour and a half... so it should be completed by 1:30 PM. We will have someone on hand to Knight each Candidate at the conclusion of the ceremony. Attire for Candidates is dark suit (black, blue, or dark gray; jacket & trousers should match), white dress shirt (no button down collars or French cuffs), conservative/traditional style tie (no bow-tie or bolo tie), and dark dress shoes & dark socks.

Any 4th Degree Sir Knight who wishes to attend is welcome to do so. We will need a good number of Sir Knights in Official Regalia Dress-Service to be available to assist as Escorts. All other Sir Knights may attend in Official Regalia Dress-Social, or in Social Dress Uniform (if you do not have the ORD).

If you have any questions, please feel free to contact me directly at [djtoddjr@gmail.com](mailto:djtoddjr@gmail.com), or by phone at (703) 463-1499 (text preferred!).

Fraternally,

SK David J. Todd, Jr., PGK, PFN
